Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting \$2 million in Community Project Funding for Homestead Gardens Affordable Housing in the Town of Chapel Hill in Fiscal Year 2022 (FY 2022) appropriations legislation.

The project location is 2200 Homestead Road in Chapel Hill, North Carolina and the recipient is the Town of Chapel Hill, 405 Martin Luther King Jr. Blvd, Chapel Hill, NC 27514.

The project is an appropriate use of taxpayer dollars by utilizing an innovative approach to developing affordable housing, providing a mix of approximately 117 rental and homeownership opportunities serving extremely low- to moderate- income individuals.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "David Price".

Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting \$250,000 in Community Project Funding for the Violence Intervention Training project in Fiscal Year 2022 (FY 2022) appropriations legislation.

The project sponsor is the Durham County Government (201 East Main Street Administration Building II Durham, North Carolina 27701) and will be located throughout the City of Durham and Durham County, North Carolina. The funding is designated for research on cross-systems approaches to address gun violence.

The project is an appropriate use of taxpayer dollars by researching and reporting on the public health, anti-violence model conducted by Bull City United, with the primary goal of stopping the spread of community violence. This project will allow for the examination of the methods and outcomes of this program and provide recommendations for promising local community violence interruption programs across the country.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "David Price".

Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting \$1.2 million in Community Project Funding for the creation of RTP-BIO in Fiscal Year 2022 (FY 2022) appropriations legislation.

The project recipient is Durham Technical Community College, located at 1637 East Lawson Street, Durham, NC 27703.

The project is an appropriate use of taxpayer dollars because it would provide a unified service delivery mechanism for biotechnology-related career development and employment services across both Durham and Wake Counties, including Durham Technical Community College and Wake Technical Community College. The Research Triangle Park (RTP) is a national biosciences hub and it is important to have a local workforce that is prepared to meet the significant and growing job opportunities in the region.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting \$750,000 million in Community Project Funding for Depot Hill Economic Development in the Town of Louisburg in Fiscal Year 2022 (FY 2022) appropriations legislation.

The project recipient is the Town of Louisburg, 110 West Nash Street, Louisburg, NC 27549.

The project is an appropriate use of taxpayer dollars because it would redevelop the Louisburg Train Depot and surrounding areas to unite the Northern and Southern parts of town through economic development, improving the lives of those who have been historically underserved and those who are currently living in poverty.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting \$2.679 million in Community Project Funding for the Kerr Lake Regional Water Treatment Plant project in Fiscal Year 2022 (FY 2022) appropriations legislation.

The project sponsor is the City of Oxford, North Carolina (300 Williamsboro St. PO Box 1307 Oxford, NC 27565) and the project will benefit the City of Henderson, the City of Oxford, and Warren County. The funding is designated for Granular Activated Carbon Water Filters.

The project is an appropriate use of taxpayer dollars by replacing aging equipment at the Kerr Lake Regional Water Treatment Plan in order to continue to provide safe and reliable drinking water for residents and businesses in Vance, Granville, Warren, and Franklin Counties in North Carolina.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting \$2,208,800 in Community Project Funding for the Pittsboro Water Treatment Plant project in Fiscal Year 2022 (FY 2022) appropriations legislation.

The project sponsor is the Town of Pittsboro, North Carolina (635 East Street Pittsboro, NC 27312) and it will benefit the Town of Pittsboro and Chatham County, North Carolina. The funding is designated for Granular Activated Carbon Water Filters, Vessels, and Pumps.

The project is an appropriate use of taxpayer dollars by procuring and installing advanced treatment infrastructure to remove per- and polyfluoroalkyl substances (PFAS) from the local drinking water supply. This water treatment upgrade will allow for safe and reliable drinking water for residents and businesses in Pittsboro and Chatham County.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting \$1 million in Community Project Funding for Harriet's Place renovations (Harriet Tubman YWCA, 312 E. Umstead Street, Durham, NC 27707) in Fiscal Year 2022 (FY 2022) appropriations legislation.

The project recipient is the non-profit Reinvestment Partners, located at 110 East Geer Street, Durham, NC 27701.

The project is an appropriate use of taxpayer dollars because it would renovate the Harriet Tubman YWCA, a key building in Durham's history and in the Black community, and create much needed efficiency apartments affordable to individuals earning 30% and 60% or below area median income. At least four of the units will be set aside for formerly homeless individuals or other special needs populations

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting \$4 million in Community Project Funding for the Assessing and Tracking Tactical Forces Initiative in Fiscal Year 2022 (FY 2022) appropriations legislation.

The project sponsor is the University of North Carolina at Chapel Hill (UNC-CH, 310 South Building, Chapel Hill, NC 27599). The project is located at UNC-CH's Matthew Gfeller Center at 2207 Stallings-Evans Sports Medicine Center, Chapel Hill, NC 27599.

The project is an appropriate use of taxpayer dollars by funding the expansion of important and innovative research to assess career-long brain health among Special Operations Forces (SOF) soldiers and to incorporate additional SOF communities based at installations across North Carolina. The project's utility in other non-SOF military populations within the state would also be explored.

I certify that neither I nor my immediate family has any financial interest in this project.

Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting \$706,500 in Community Project Funding for the Town of Wake Forest Reservoir Project in Fiscal Year 2022 (FY 2022) appropriations legislation.

The project recipient is the Town of Wake Forest, located at 301 South Brooks Street, Wake Forest, NC 27587.

The project is an appropriate use of taxpayer dollars because it will mitigate the safety concerns associated with a decades-old, "high risk" dam that could threaten the health and safety of Wake Forest residents. This funding will be used to decommission the existing water plant and implement new safety measures to lessen its dam hazard status and mitigate flooding.

I certify that neither I nor my immediate family has any financial interest in this project.
